Obtaining authorization and approval for NEMT Services:

Q. If a member qualifies for NEMT Services, does he/she require a prescription?

A. Yes. The member should contact their physician who upon checking the member's eligibility status, needs to complete a **NON-EMERGENCY MEDICAL TRANSPORTATION (NEMT) PRESCRIPTION / ATTESTATION OF MEDICAL NECESSITY** form and send to GCHP Health Services at 1-855-883-1552.

Q. Where can you find the NON-EMERGENCY MEDICAL TRANSPORTATION (NEMT) PRESCRIPTION / ATTESTATION OF MEDICAL NECESSITY form?

A. This form can be found on the GCHP Website as of February 5, 2015.

Q. Is this process a change from current authorization and approval of NEMT Services?

A. Yes. The old process required the member to contact VTS directly and VTS would approve or deny the NEMT Service.

Q. When does this new process of submitting the authorization form to GCHP for verification take place?

A. The effective date for submitting the form to GCHP is March 1, 2015.

Q. Do NEMT Services approved prior to March 1, 2015 have to be re-approved following the new process?

A. NEMT Services verified prior to March 1, 2015, regardless of the date scheduled, will be honored until September 1, 2015, and will not need to be re-verified by GCHP. After September 1, 2015, all new requests for rides or for any previously scheduled rides that extend beyond September 1, 2015, will need to follow the new process.

Q. Where should the physician send the completed form authorizing NEMT?

A. The completed form should be faxed directly to GCHP Health Services at 1-855-883-1552.

Q. How does VTS obtain approval and what is the time frame for approval?

A. Once the form authorizing NEMT Services is received from the physician, GCHP Health Services will review the form and if approved, will notify VTS. The time frame
