

ELECTRONIC FUNDS TRANSFER (EFT) For Provider Payments

Gold Coast Health Plan and its contractor, ACS (a Xerox Company), are pleased to announce the availability of Electronic Funds Transfer (EFT). Providers who enroll in EFT will have their Medi-Cal payments deposited directly into their checking or savings account. The EFT option is available to in-network providers in Ventura County.

To enroll in EFT, providers must complete the **EFT PROVIDER ENROLLMENT FORM** that can be found at the end of this document. Prior to completing the form, please read the INSTRUCTION SHEET carefully and follow the directions.

Providers with more than one National Provider ID (NPI) should attach a list of NPI numbers to the application.

Please note that any attachments to the EFT application must have original signatures.

Provider Groups that receive payments under the Group ID need only to complete a single enrollment form for the Group NPI. However, members of Provider Groups who also bill individually may enroll by submitting a separate enrollment form using their individual Provider NPI.

ONE of the following items must be attached to your enrollment form:

- A voided check from your checking account.
- If you have a deposit-only checking account (and do not have checks) or you choose to have the EFT deposited into a savings account, you may submit a letter from a bank officer verifying your account information. The letter must be on bank letterhead and include the bank's name, address and routing number, the type of account, the account number, and the account owner's name, address and tax ID number. The letter also must be signed by a bank officer and notarized.

EFT enrollment applications that do not conform to these instructions will be rejected.

After sending the EFT PROVIDER ENROLLMENT FORM to GCHP, please allow a minimum of 6 to 8 weeks for processing.

The EFT transactions will be initiated on Wednesdays. But due to normal banking procedures, the transferred funds may not be available for up to 7 days after the transfer. Please contact your banking institution regarding the availability of your funds.

If you have any questions about the EFT process, please call GCHP Customer Service at 1-888-301-1228.

Section C: EFT Authorization or Cancellation

Providers should complete and sign this section. All documents received will be processed and placed in the provider's file.

Please note: For providers who have claims paid within a particular payment cycle, Medi-Cal funds are normally scheduled to be transferred on Wednesday afternoons. Due to normal banking procedures, the funds may not become available in the provider's account for up to 48 hours from the initial transfer. Please contact your banking institution with questions about the availability of funds.

Please allow a minimum of 6 to 8 weeks for your request to be processed.

To change banking information, providers must send the following:

- A new EFT enrollment form indicating the new banking information. The enrollment form must be signed with an original signature and a title must be indicated.
- A voided check with the new account and routing numbers must be attached to the new enrollment form. If the account is a "deposit only" account, attach a signed, notarized letter from your banking institution indicating the new account and routing numbers. Regardless of what is being updated, both the account and routing numbers must always be indicated.
- A letter indicating changes to your account is required. The letter must be on company letterhead and include any provider number(s) (tax ID and NPI), new account and routing numbers and a brief explanation for the change. The letter must have an original signature and a title should be indicated.

Note: If you are changing your EFT from one banking institution to another banking institution, your payments will automatically transfer back to paper for a two week time frame while your EFT is being set up on your new account.

To cancel EFT transactions, providers must send an EFT authorization form, including the provider number(s), applicable Tax ID and/or NPIs, to the address below. Please allow 6 to 8 weeks to transition to a paper check.
