Director of Health Education, Outreach and Cultural & Linguistics Services

Re: **Basic Tobacco Intervention Skills Certification Program
For Medical & Allied Health Professionals**

Date: March 21, 2017

Gold Coast Health Plan (GCHP) will host the Basic Tobacco Intervention Skills training for medical and allied health professionals on Thursday, April 6 from 1 to 5 p.m. in Camarillo. The program is provided by The University of Arizona HealthCare Partnership and will be taught by Ventura County Public Health Tobacco Education & Prevention Program instructors.

The 5 A's training – Ask, Advise, Assess, Assist, Arrange – is an evidence-based training that will allow you to earn continuing education units (CEU), which will be available upon completion.
