## **NOTICE TO ALL GOLD COAST HEALTH PLAN NETWORK PARTICIPATING PROVIDERS**

This is to announce a new series of 28 In-Service training opportunities for all of our Participating Provider offices. These meetings will be conducted in various locations in Ventura County and there will be times available in either morning or afternoon sessions from February 15<sup>th</sup> through March 9<sup>th</sup>. Although we would prefer to focus on particular provider types at each repeating session as noted, providers are invited to attend any meeting.

Each session will take approximately 1 and a half hours with ample opportunity to pose questions to staff from Gold Coast Health Plan. We hope that your office staff can plan to attend at least one of these sessions. In the event that it is not possible to attend in person, you should note that all of the information presented and all of the resource tools and reference materials will be posted to our website at [www.goldcoasthealthplan.org](http://www.goldcoasthealthplan.org).

Please note that several of these locations are limited in size and capacity and thus space will be available on a ***first come-first served*** basis.

If you have any questions or concerns regarding this notice or the attached schedule please contact our Provider Relations Department for assistance by phone, fax or email.

We hope to see you in person at one of these In-Service training sessions designed for provider office staff.
